Ambassador of Israel to the United States of America, Mr. Ron Dermer

Dear Mr. Trump,

We would like to congratulate you, and wish you success in your position as the leader of the free world. From Israel, we send you the blessing of "Be Strong and Courageous".

As a true human rights organization, we take pride in the values you espouse: the values of care for loyal citizens and death to terrorists. The support you have received, proves beyond any doubt that the world realizes what true human rights mean: an uncompromising war of annihilation against terrorism, and care for the lives of innocent people. We will continue to support you in the positive actions and policies that will stem from this moral position.

Last, our organization "BeTzalmo" ("In His Image") is proud to award you with the title of "Defender of Human Rights" for the year 2016, a title you undoubtedly merit for your actions and the change of worldwide public discourse, which you have pioneered. We will be glad to present this award to you, either during your visit to Israel or at the White House.

With Kind Regards,

Shai Glick, CEO
